### **CHAMBER WEIGHS IN ON COUNTY REDISTRICTING**

EL DORADO HILLS, CA, MAY 20, 2011: Recently, five alternative redistricting maps have been released by El Dorado County, drawn from information gathered from the 2010 decennial federal census data. The El Dorado Hills Chamber of Commerce supports a map that ensures the El Dorado Hills area has fair and equal representation reflected of its current population. This position is in accordance with the California Elections Code Section 21500, which states, "to adjust the boundaries of any or all of the supervisorial districts of the county so that the districts shall be as nearly equal in population as may be."
