

El Dorado Hills Chamber Advantage Discount Program

Would you like to increase your business among Chamber members while also taking advantage of specials offered to you? If so, we invite you to participate in our discount program, which allows our members to offer a discount to fellow members and/or take advantage of discounts offered on products and services they use every day.

The discount program offers Chamber members and their employees the opportunity to:

- Save money when making purchases at participating Chamber merchants
- Stimulate new business through increased exposure and word-of-mouth referrals through chamber member companies and their employees
- Encourage Chamber members to patronize their fellow member's business

Participation in the discount program is voluntary. However, the following guidelines have been established for the program:

- Discounts must be a minimum of 10%
- Discounts must apply to actual goods and services
- Discounts must be ongoing, and not a one-time only offer
- Free consultation offers are not available for the program
- This is a benefit of membership to EDH Chamber members in good standing

A listing of the discounts will be available online at www.eldoradohillschamber.org
